

# Ladies Day Finale 2018 Final Report

## Summary

- The weather cooperated – it was sunny with no precipitation. A fun time was had by all. We had a lot of prizes. There were many fabulous raffle baskets and we raised \$2120 for charity. \$1860 from basket raffles, and \$260 from mulligan sales. Our first tee time was 11:12am. Our last group got off the course around 5:30pm. The scoring was calculated while last call for 50/50 and raffle tickets, etc were called. The evening started at 6pm with an extraordinary meeting that took approximately 20 mins. Then we completed the evening with prize presentations, which wrapped up at 8pm. A summary of the prizes awarded this season is now posted on the WordPress site. A questionnaire was circulated for feedback. The same questionnaire will be circulated at the AGM.

## Turnout

- 55 players
- Disappointed in the lack of Orange Tee Callaway turnout
- A few of the new groups didn't sign-up because they wanted to play in same team – but from both bronze & orange tees. We could not see how that would work or be fair to other groups.
